NEW HOLLAND
HIGH SCHOOL

NEW HOLLAND
PENNSYLVANIA

Foreword

What have your four years at New Holland High School meant to you? The editorial staff of this nineteenth volume of the Leoninus have no way of knowing. We wish we did. We wish it were possible to bind within the covers of this yearbook the individual keys which would unlock your happiest memories of high school life. Since this is not possible we have tried to present as fully as we were able a pictorial record of the main events of your senior year at New Holland High School. We have tried to keep alive photographically, the various phases of your high school career.

As you grow older, we hope you will enjoy renewing high school acquaintances via the Leoninus.

Dedication

There have undoubtedly been few matters that we, the members of the graduating class, have decided upon without at least a few minutes of squabbling. It's only natural, we've been told). However, we made one very swift and unanimous decision this year, that our yearbook be dedicated to Miss Ruth A. Witman.

Miss Witman has been our homeroom advisor for the past four years. We sincerely appreciate the hours of free time she so willingly sacrificed to work with us in our innumerable extra-curricular activities. She's been not only a helpful advisor, but an understanding friend, offering advice and aiding us in the trying "growing-up" period. To you, Miss Witman, we give our heartfelt appreciation for your unselfish efforts that helped to make these years truly "the best years of our lives".

Joyce Wheeler Arthur

February 17, 1935 "Jo"

Leoninus Editorial Staff (4); Library (4); Chorus (1,2,3,4); Cheerleading (2,3).

"Jo" is a native of Virginia. Her love of fun and sense of humor have gotten her into, and out of, many amusing situations. Joyce can always be depended upon to lend a helping hand when needed. These traits have been very valuable to her as school librarian.

This lively lass has a part-time job as a waitress at People's Restaurant. "Jo's" pleasant disposition, good sportsmanship, reliability and friendliness should take her far in the field of nursing, her chosen career.

John Arnold Bair

January 29, 1935 "Arnie"

"Arnie" joined our ranks in the twelfth grade. His mischievious smile can be frequently seen in a classroom, as pranks are his specialty.

History is his favorite subject. He proved his ability in that field by topping everyone in our grade to win the Pennsylvania Week Contest in New Holland High School.

Stamp collecting also interests Arnold. He began his collection when he was in seventh grade.

Arnold is not certain of his post-graduation plans, but we know he will be a valuable addition to any vocation.

Pauline Estelle Binkley

October 26, 1934 "Polly"

Senior Chorus (1,2,3); Basketball Manager (2); Town Clock News Editorial Staff (3,4); Leoninus Editorial Staff (4).

"Polly" is known for her gay personality. She is one of those rare individuals who seem absolutely immune to spells of ill humor. Her trademark is the deep dimple that was caught by the photographer in her graduation picture.

"Bonjour madame, monsieur." No, there are no foreigners enrolled at N.H.H.S.; it's only "Polly", one of Miss Witman's five French II girls. They take their French seriously and like to put it to use on bewildered classmates.

Pauline's main ambition, from childhood up, has always been nursing. Unlike many little girls she clung to that dream, and it will finally be realized when she enters training at the Lancaster General Hospital in the fall.

Jean Elizabeth Brubaker

November 18, 1934 "Jean"

Class Treasurer (1,3,4); Chorus (1,2); Student Council (3,4); TCN Editorial Staff (2,3,4); Quill and Scroll (3,4); Cheerleading (2,3,4); Hockey (3,4); Hockey Co-Captain (4); Basketball (3,4); Basketball Captain (4); Tennis (3,4); Senior Play Understudy and Prompter (4); Leoninus Editor (4); Tumbling Club (2,3).

"Where's page six? Who's seen the varsity basketball photo? We've got a deadline to meet!" You've guessed it. That was Jean, our frustrated little yearbook editor. Frustrated only for about four months, understand, until the Leoninus was rewritten and repaged skingteen times and finally was intact and in the publishers' hands.

Before editorship, all of Jean's spare time was spent in sports, either as a spectator or a participant. As co-captain of hockey and captain of the basketball team, she led both groups through very successful seasons. Jean enjoys athletics so thoroughly that she's decided to major in physical education at East Stroudsburg State Teachers College.

Roy Thompson Brubaker

December 29, 1934 "Nubbie"

TCN Editorial Staff (2,3,4); TCN Photographer (3, 4); Leoninus Staff Photographer (4); Athletic Manager (1,2,3,4); Senior Manager (3,4); Film Manager (3,4); Quill and Scroll (3,4); Senior Play (4); Basketball (1).

"Hold it" is the favorite phrase of this amateur David Duncan. He has served faithfully as both TCN and Leoninus Staff Photographer.

For six years he has been manager for all of New Holland High's athletic activities. In his Junior and Senior years, "Nubbie" held the title of Senior Manager.

As "Mr. Morrow" in our production of "Seventeenth Summer", he displayed talent in the field of dramatics.

Roy expects to further his education in Photography at Rochester, New York.

Dorothy Alice Burkhart

April 28, 1934 "Dot"

TCN Business Staff (2,3,4); Patrol (1,2,3,4); Chorus (2,3,4); Tri-Hi-Y (3).

Dot, a blue-eyed brunette, came from Blue Ball to New Holland in fifth grade. Her sense of humor has won her many friends, as has her hobby of writing letters. Dot has penpals from all over the world. At one time she wrote to thirty-four people.

Dot works as part-time clerk-typist at the New Holland Machine Company. After graduation. she hopes to become a full-time worker for this company. We hope Dot finds success and happiness in the world which awaits her.

Shirley June Conrad

June 25, 1934 "Connie"

Class Secretary (1,3,4); T.C.N. Business Staff (1,2,3,4); Circulation Manager, T.C.N. (3,4); Girl's Basketball (4); Hockey (4); Office Secretary (4); Leoninus Business Staff (4); Senior Play (4); Chorus (1,2,3); J-V Cheerleader (3,4); Patrol (1,2,3,4); Lieutenant (4); Majorette (3,4).

"Connie" is one of the busiest members of our class, due to her participation in numerous activities.

Evidence of her ability in the business field was proven, when in her senior year, she capably served as both class and office secretary.

This dimpled miss always has a "Hi" and a friendly smile for everyone. "Nice" is her favorite expression, and friends find it rather contagious.

After graduation "Connie" plans to hold a secretarial position in an office. Her commercial training has ably prepared her for this work.

Julianne Beatrice Delp

September 28, 1934 "Judy"

Cheerleading (1,2,3,4); Chorus (1,2,3,4); Student Council (1,2,3,4); Student Council Secretary (3); Senior Play (4); Leoninus Editorial Staff (4); Basketball (2); Class Vice-President (3); Hockey (2,3,4); T.C.N. Editorial Staff (2,3,4); T.C.N. editor (4); Quill and Scroll (3,4).

Judy is one of the most versatile members of our grade. She has proven this statement by her participation in a wide range of activities.

This past year, Judy was selected by the members of our grade to receive the Daughters of the American Revolution good citizen award.

Judy is interested in the field of art. Her ability in this realm was proven when she so capably directed the decoration committee for the Junior-Senior Reception. Music also captures the fancy of this popular miss. She was featured as a soloist at the annual Christmas Carol Service for the past two years.

After graduation, Judy plans to begin summer school immediately, majoring in elementary teaching at Millersville State Teacher's College.

Anna Mae Etter

May 7, 1934 "Anna"

Chorus (1,2,3); TCN Editorial Staff (2,3,4); Leoninus Associate Editor (4).

The class of '52 welcomed a very industrious student to its ranks in ninth grade. Anna was found to be full of fun in addition to being studious.

During her spare time, Anna enjoys roller skating, reading a good book, or listening to music. She also likes to play the piano occasionally.

Anna's plans are indefinite, but a glance into the crystal ball might reveal a future of dust cloths, dishpans, and diapers. (No rolling pins . . . she's not the type.)

Lawrence Edward Frazier

November 4, 1934 "Larry"

Band (1,2); Baseball (2,3,4); Class Secretary (2); Basketball (1,2); Soccer (4).

When a witty remark pops out of the clear blue sky followed by a shower of laughter, you can be sure "Larry" had something to do with it.

"Larry" moved to New Holland from New Cumberland, joining his present classmates in the fifth grade.

Sports interest "Larry" very much, football being his favorite. He seems to have little time for girls and has a casual interest in his studies.

At present "Larry" finds employment at Rubinsons', but the lure of the sea will probably call him to the Merchant Marines.

Alice Marie Good

April 10, 1934 "Goodie"

Hockey (3,4); Cheerleading (2,3,4); Student Council (1,3); Student Council Treasurer (3); T.C.N. Business Staff (1,2,3,4); T.C.N. Circulation Manager (2); T.C.N. Business Manager (3,4); Corridor Patrol (2,3,4); Patrol President (4); Chorus (1,2,3,4); Quill and Scroll (3,4); School Treasurer (4); Senior Play (4); Leoninus Business Staff (4).

"Goodie", the tiny vivacious brunette of our class, has been a busy member of class since first grade. When not participating in sports, she is cheering the teams on to victory.

"All treasurer's reports must be in by Friday," Yes, that's "Goodie", our efficient school treasurer.

As "Angie" in the Senior Play, she displayed a considerable amount of dramatic talent.

Collecting monkeys is her hobby. "Goodie" boasts a total of 102 monkeys.

After graduation Alice plans to enter the business world.

Woodrow Wilson Good, Jr.

November 28, 1934 "Woodie"

Patrol (1); Chorus (4); Senior Play (4); Yearbook Business Staff (4); County Chorus (4).

"Woodie" is one of the original members of the Class of '52.

This active 4 H-er has been on livestock judging teams for the past two years at Penn State. He has taken part in many local activities connected with the 4-H program. Even though this work occupies most of his time, he has taken part in school activities. Who'll ever forget his part as "Tony", the wolf, in the Senior Play?

Music is one of Woodie's main interests. He plays the piano, trumpet and harmonica.

Although he has no definite plans, we expect Woodrow to make his mark in agricultural education.

Harry Donald Gossert, Jr.

January 5, 1935 "Hot Rod"

Salisbury: Senior Play (3); Class President (3); Baseball (2,3). New Holland: Leoninus Business Staff (4).

Harry is one of the out-of-town students who came to us from Salisbury.

His interests cover several types of activities. His favorite sport is playing baseball. Harry likes to work around cars and enjoys hunting.

Harry works as a store clerk in his spare time. After graduation he will probably continue working in the store.

Gladys Ruth Hershey

July 5, 1934 "Ruth"

Salisbury: Chorus (1,2,3); Class Secretary (2,3); Yearbook Editor (3); Class Valedictorian (3). New Holland: Leoninus Business Staff (4); Cafeteria (4).

Ruth joined us at the beginning of our senior year from Salisbury High School.

Although she is one of the more quiet and reserved members of our class she has won many friends during the past year.

When the weather permits Ruth may be found ice-skating. Reading is also one of her favorite pastimes.

As a result of her business training in school, Ruth wishes to make a career of office work after graduation.

Norma Ann High

October 1, 1934 "Norma"

Cheerleading (3,4); Majorette (1,2,3,4); Chorus (1,2,3,4); Patrol (1); Leoninus Editorial Staff (4).

This blonde, energetic miss entered our midst in the third grade. Norma is one of the out-of-town students.

She has been a majorette in the band for the past six years, and at present, she is the leading twirler. Her various other abilities include tumbling, cheerleading, and other sports.

Norma's hearty laugh is familiar to many. Her pleasing personality has won her many friends. As her future life's work she has chosen the nursing career. We are sure she is very capable of fulfilling this unselfish desire to serve humanity.

Lee Robert Lahet

April 4, 1935 "Lee"

Kulpmont Band (1). New Holland: Band (2,3,4); Leoninus Editorial Staff (4); County Band (2,3,4).

"Lee" is our grade's contribution to the musical world. He has well shown his ability by playing solo trumpet for the high school band since his arrival in our sophomore year.

"Lee" can often be found looking through odd pieces of money to add to his coin collection.

His love of fun and good humor has made him well-liked by everyone in our grade.

Although he has no definite plans for the future, he is certain to be suited to any field of endeavor he chooses.

Barbara Jane Metford

January 22, 1935 "Barbie"

Chorus (2,3,4); Town Clock News (2,3,4); T.C.N. Associate Editor (4); Band (1,2,3,4); Quill and Scroll (3,4); Student Council (1,2,4); School President (4); Leoninus Editorial Staff (4); Senior Play (4); Cheerleading (1,2,3,4); Tumbling Club (2); Hockey (3,4).

This vivacious lass, as her activity record indicates, has served her Alma Mater well. She has always been an avid sports fan and faithfully supports the Huskies through soccer, basketball, and baseball seasons.

"Barbie" knows how to be the perfect, poised young lady, but she's contributed her share of humor to the class. She certainly added a dash of fun to "Seventeenth Summer", as mischievous twelve year old, "Kitty". The nursing profession is her chosen career, but prior to entering training, "Barb" plans to attend Bucknell University for preparatory study.

Donald Alois Pahls

August 6, 1934 "Don"

Tower City: Band (1,2); Basketball (1,2); Class Vice-President (2). New Holland: Band (3,4); Chorus (3,4); Basketball (3,4); Tennis (3,4); Student Council (4); Senior Play (4); Leoninus Editorial Staff (4); County Chorus (3); County Band (4).

"Don" is taller and older than his twin, Eugene. He saw the light of day fifteen minutes before his brother.

Basketball and tennis interest "Don" in the sports field. The trumpet holds his musical attention, although he also enjoys singing.

"Don", who joined us in our junior year from Tower City, is a very industrious student, but also likes to have a good time.

Personality, versatile interests, and the wishes of his many friends, will lead Don to a most prosperous life, which he hopes to make in the engineering field.

Eugene William Pahls

August 6, 1934 "Gene"

Tower City: Band (1,2); Basketball (1,2). New Holland: Band (3,4); Chorus (3,4); Basketball (3,4); Leoninus Editorial Staff (4); Senior Play (4); County Band (3,4).

"I find children's activities rather boring." Yes, this was Gene's renowned line in the Senior Play, "Seventeenth Summer." As Martin Keefe, he portrayed the part of a haughty friend.

Gene's favorite sport is basketball. His ability to play the trombone has aided the high school band. Gene also sings in the chorus.

His favorite expression is "Nice, Pahls." This phrase is used to chide either himself or his twin when they pull a boner.

As to the future, Gene is undecided between life as an engineer or as an automobile mechanic.

Donald Leroy Parmer

July 7, 1934 "Don"

Basketball (1,2,3,4); Baseball (2,3,4); Soccer (2,3); Student Council (1); Chorus (1,4); Senior Play (4); Leoninus Business Staff (4).

This lanky lad has helped to win many a soccer, basketball and baseball game for New Holland High School. Sports come first and foremost with Don.

He always has something to say. Whenever the room is quiet Parmer makes it his business to break the monotony. His ridiculous remarks pop up at the most opportune times. Don always has a smile and a friendly greeting for everyone.

His talent in the damatic field was shown when he portrayed "Jack" in the Senior Play.

Don is uncertain of his future plans.

Margaret Elizabeth Plank

January 6, 1934 "Betty"

Chorus (1,2,3,4); Majorette (3,4); Leoninus Business Staff (4); Patrol (1).

Betty is a dark-haired, slender girl with a very neat appearance. She is the quiet type who has the good quality of sincerity for which she is admired. Her outside interests vary greatly, thus keeping her time occupied.

A commercial student, she would like to be employed as a secretary after graduation. Having had experience in this field, she is well prepared for the future. Her ability in the business profession was seen when she very capably managed the senior play program.

Glenn Arnold Rodgers

June 13, 1934 "Butch"

Student Council (1,2); Class President (1,2); Class Vice President (4); Leoninus Business Staff (4).

"Butch" is Blue Ball's contribution to our class. His ever helping hand to aid in any class activity has made him popular among the students.

He proved his popularity when his classmates voted him the boy to receive the American Legion Award in the ninth grade.

His Ford can usually be seen carrying classmates and friends to basketball games and other school activities.

Although Glenn is uncertain of his future plans we believe he will be a success in any vocation he may choose.

Anna Mary Seldomridge

October 1, 1933 "Anna Mary"

Salisbury: Chorus (1,2,3); New Holland: Leoninus Business Staff (4).

Before joining our ranks this past year, Anna Mary was graduated from Salisbury High School. She soon showed her ability to quickly win friends when she was selected as candidate to represent the senior class in the Safety Patrol Queen Contest.

Roller skating is Anna Mary's favorite pastime. Horseback riding also rates high with her.

As a result of her commercial training, Anna Mary's choice for the future is that of a secretary at the New Holland Machine Company.

Fred Grant Seldomridge

January 30, 1935 "Fred"

Fred, one of the quieter members of the Class of '52, came to New Holland in his senior year from Salisbury.

Fall is Fred's favorite time of the year, for then he can go hunting. Many a day will pass, before sharpshooter Fred will not bring home his limit of game.

If asked which class he enjoys most in school, Fred will probably answer shop.

Fred lives on a large farm near Gap. After graduation, he plans to work on his father's farm.

Julianne Sensenig

September 12, 1934 "Julie"

Senior Chorus (1,2,3,4); Leoninus Business Staff (4); Tri-Hi-Y President (3); Senior Play (4); Patrol (3); Color Guard (4).

Julianne is the wee member of the senior class, 5 feet 1 inch to be exact. When the class first met her, eight years ago she was a timid quiet little girl with long black braids and freckles galore; but time marches on! Julie has outgrown her pigtails, her freckles have all but disappeared, and she is no longer the bashful uneasy miss she was then. Yes, Julie's grown up; she just hasn't grown tall!

If Julie had a middle name it might be dependability. When she heads a committee, it's certain to function. A commercial student, Julianne hopes to find a secretarial position after graduation.

Patricia Ann Shirk

January 16, 1935 "Pat"

Color Guard (3,4); Patrol (2,3,4); Leoninus Business Staff (4); Chorus (1,2,3,4); Tri-Hi-Y (3); Senior Play (4).

Who's that giggling back there by the lockers? Yes! It's Pat! She loves to have fun and often can be seen with a group of kids, laughing and talking excitedly.

Pat has been a member of our class ever since first grade.

She loves to sing and is an active chorus member. Pat portrayed her part as "Margie" well in the Senior Play.

A part-time job at the Machine Shop claims much of Pat's spare time. Her future might center about the business world, but we feel "that little white bungalow" might be important.

Paul Richard Shirk

August 17, 1934 "Shirkie"

Soccer (2,3,4); Chorus (4); Tennis (2,3,4); Leoninus Business Staff (4); Basketball (3,4).

Paul has been a member of our class ever since he entered school as a first grader.

This well-liked fellow's main interest is sports. He has been an all-round athelete receiving letters in soccer, tennis and basketball in the last three years.

"Shirkie" has always been a valuable asset to our class, especially with his electrical knowledge. Having done the wiring for both Junior-Senior Reception last year and the Senior Stand this year, he really earned appreciation of his classmates.

Paul's future plans are uncertain but we would venture a guess that the electronic industry will enlist him.

Donald Arthur Siedhof

April 26, 1934 "Sied"

Baseball (1,2,3,4); Basketball (3,4); Soccer (2,3); Student Council (1,3,4); Student Council Vice President (3); T.C.N. Editorial Staff (2,3,4); Quill and Scroll (3,4); Yearbook Editorial Staff (4); Class President (3,4); Class Treasurer (2); Band (1,2); Chorus (1).

This tall, blue-eyed lad has been a popular member of our class since 1940 when he entered Miss Bender's first grade. "Sied" was the president of our Good Citizens' Club when we were in fifth grade. He capably guided our grade for the past two years. Don was also vice-president of the Student Council in his junior year.

All through school "Sied" has been in the midst of jokes and merriment. He may often be found playing basketball or baseball.

At the present time "Sied" is working at Musselman's. After graduation he hopes to major in engineering at Pennsylvania State College.

Kenneth Miles Stone

July 22, 1934 "Stone"

Chorus (4).

Ken came to our Alma Mater as a sophomore after completing his first year of high school at Upper Leacock.

His interests cover several different types of activities. Industrial art is his favorite subject but he is also interested in chemistry and mathematics. Ken also spends some time trapping and hunting.

Although "Stone" is one of the more reserved members of our class, he has proved himself a congenial and pleasing friend to all.

His future is undecided but we label him a "can't miss" in any career he might choose.

Louis Floyd Trego

November 14, 1933 "Floyd"

Hunting and fishing are the favorite pastimes of this newcomer. Raising Bantam Chickens also consumes much of his time. Floyd joined us in our Senior year from Salisbury.

Working around cars also interests this friendly fellow. In school, shop is his favorite subject.

Floyd works for his father as a part time electrician. After graduation he hopes to work either as a full time electrician, or on a farm.

Janet Margaret Trimmer

August 17, 1934 "Trim"

Chorus (1,2,3); Senior Play (4); Tri-Hi-Y (3); Hockey (2,3); Basketball (3); Tennis (3,4); Yearbook Editorial Staff (4).

"Trim", one of the original members of our class, is an avid sports fan. Her favorite season of the year is summer because she can play tennis or go hiking and camping. She roams through woods and fields taking pictures of outdoor life and scenery.

A sincere, straightforward attitude makes "Trim" a very valuable friend. In the Senior Play these characteristics helped "Trim" portray the mother.

This brown-eyed brunette does not definitely know what she wants to do in the future, but she is considering teaching.

Ruth Raymell Tucker

March 25, 1933 "Raymell"

Band (1,2,3,4); Cafeteria (1,2,3,4); Chorus (2,3,4); Patrol (4); Hockey (2,3,4); Basketball (3,4); Cheerleading (3,4); Leoninus Business Staff (4).

Raymell came to New Holland from Troy, North Carolina, at the beginning of her sixth year of school.

Having taken the home-making course in school, she can prove her ability along that line by sewing many a fine, straight seam.

One may see her working as an usher at the local theatre on Saturday evenings.

Raymell collects miniature horses as a hobby. At the present time she has 65 of them, in various sizes and colors. All sports interest her, but she enjoys playing guard in basketball most of all.

This tall, dark-haired girl with the winning personality plans to be a model after graduation.

Donald Allen Weaver

July 16, 1934 "Don"

Basketball (1); Glee Club (1); Class Vice President (2).

Don became a member of our class in fourth grade, and has been a colorful individual ever since. Often referred to as "Speuce", he can frequently be seen about town in his trusty '36 Chevy.

"Don's" haircut and continual tardiness in the morning have become Weaver "trademarks".

Most of his time is spent working at the local cheese plant, although his future will probably be in some branch of the service.

Deloris Iantha Wilson

August 31, 1933 "Willie"

Chorus (1,2,3,4); T.C.N. Business Staff (4); Patrol (3,4); Leoninus Business Staff (4).

This slender, dark-haired lass entered the class of '52 in eighth grade, when she moved to New Holland from Burlington, North Carolina. We all enjoyed her delightful drawl, but since then she's traded many of her "you-alls" for "yet" and "still". Even so, classmates often have trouble distinguishing between her "pins" and "pens".

"Willie" presents a very chic appearance, for she is always tidy and well-groomed. Her wonderful sense of humor and timely remarks have brightened many a dull moment both in school and out.

She is an expert dancer, and enjoys it as one of her favorite pastimes.

Having taken the commercial course, Iantha plans to work as a secretary after graduation. Her friendly manner and cooperativeness should aid her in her chosen field.

Ray Allen Wolfe

October 27, 1934 "Boozie"

Basketball (1); Leoninus Business Staff (4); T.C.N. Business Staff (2,3,4); Advertising Manager, T.C.N. (4); Senior Chorus (4).

There's never a dull moment with "Boozie" around. His constant wit and sense of humor have enlivened our classrooms since first grade.

During hunting season, you will often find Ray with a gun in his hand, and a dog by his side.

"Now where could we find a toy automobile?" Yes, that's Ray hunting for "props" for the Town Clock News Revue. He has been the capable chairman of many property committees during his years in school.

Most of his spare time is spent working at his father's filling station. His foremost ambition is to own his own garage.

Robert Lee Zoller

December 7, 1934 "Bob"

Baseball (2,3,4); Soccer (2,3,4); Basketball (2,3,4); Senior Play (4); Leoninus Business Staff (4); Chorus (1).

As can be seen by his picture, this amiable fellow has a friendly, winning smile. "Bob" can always be found laughing and joking with a crowd of classmates.

His interests lie in the field of sports, mainly centering about baseball, but soccer and basketball also rank high with him.

At the present "Bob" spends his spare time working at Dickinson's Garage. He is uncertain of his future plans.

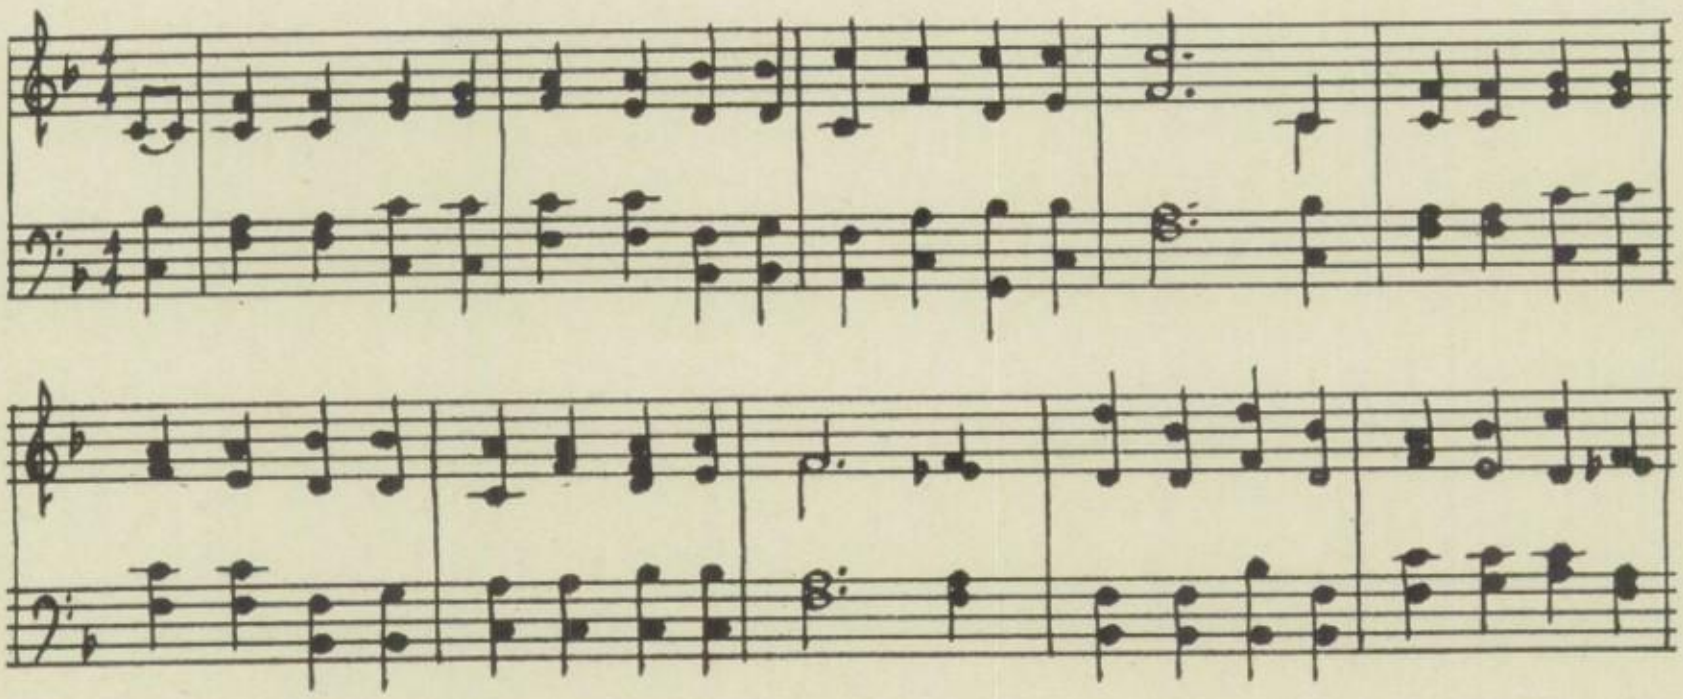
Alma Mater



Alma Mater dear we hail thee now
New Holland High so fine;
Thy founders saw in days gone by
Thy place in our fair town.
So long ago they worked and prayed
For strong foundations to be laid
In Education's Hall that we each day
Might meet our need.

May we who share these blessings now
Serve thee with might and main.
As sons and daughters going forth
Add glory to thy name.
We'll work and play while in thy halls,
And loyal be when duty calls,
And go forth in the world to show
Our school what we can do.

Continued even production of machinery means steadier employment. And that kind of production requires a lot of planning, as Robert L. Ressler, Vice President for Manufacturing of New Holland Machine Company, points out to Jean Brubaker, editor of The Leoninus, and Donald Siedhof, 1952 class president.

BLUEPRINT FOR LIFE

You won't find any path in life with big signs showing the right way to "Success" or "Happiness" or "Fortune". That's one you've got to chart for yourself.

Until high school graduation your footsteps are pretty well guided by a blueprint . . . by a plan that's been proved best to give you the right kind of start in life. Now the Class of 1952 is moving beyond that point . . . into a part of life where you make your own paths according to your own plans.

Some of those paths will take you into business and industry. And there you'll find plans working for you and the folks you do business with. Blueprints for better products and industrial growth, and for steady employment and greater security.

Former New Holland students now working with New Holland Machine Company are helping develop and carry out plans like these. Plans for the benefit of community and customer and company . . . plans for the benefit of all of us.

In Appreciation

The 1952 Leoninus Business Staff wishes most sincerely to thank the faculty, the students, and the many organizations who helped make possible the publication of this yearbook.

We especially want to thank Miss Virginia M. Hoffman and Mr. Roy W. Brandau, who headed our Leoninus editorial and business staffs in such a very able manner. We are grateful to the teachers for giving us the use of their class time; to the Clarion Office who gladly handled the printing and binding of the book; to Long & York for their fine photography work, as well as their many constructive suggestions, and to all the members of the staffs who gave of their time to make this publication possible.

Special thanks to the subscribers of our advertisements, which have helped make this book a success . . . and now as you read these ads, will you show your appreciation by patronizing the contributors.
